REYNALDO JR. DOMINGO
WEB DEVELOPER INTERN

reyndoming.site | reyndoming@gmail.com | 63+ 9104673672

Motivated and detail-oriented Web Developer with a strong foundation in both front-end and back-end development. Skilled in creating responsive and user-friendly web applications using modern frameworks, databases, and development tools. Passionate about building efficient software solutions and continuously learning new technologies to improve development practices.

PROJECTS

Efres Seedlings - Capstone Project   **2025-2026 | Web Development**

- Developed a full-stack agricultural management platform using Laravel and Tailwind CSS to streamline the tracking of plant growth and agricultural data.
- Integrated a machine learning component using Python and Random Forest Regression (RFR) to predict seedling maturity and optimize harvest schedules.
- Designed and managed a robust MySQL database to handle complex datasets, improving data-driven decision-making for agricultural operations.

Transport Hub   **2024-2025 | ASP.NET Core Development**

- Engineered a comprehensive transportation management system using ASP.NET Core MVC and C# to optimize logistics and hub operations.
- Implemented core features including real-time route management, vehicle tracking, and automated scheduling to increase transport service efficiency.
- Utilized Entity Framework Core for efficient data persistence and management, ensuring a highly responsive and scalable back-end architecture.

Akina POS & Inventory   **2023-2024 | Web Development**

- Built a robust Point of Sale (POS) and inventory management system tailored for retail businesses using Laravel and MySQL.
- Developed real-time tracking modules for sales, stock levels, and financial reporting to provide business owners with actionable insights.
- Created a responsive and user-friendly interface with Tailwind CSS, ensuring seamless operation across various devices and screen sizes.

EDUCATION

Bachelor of Science in Information Technology   **Aug 2022 - Present**
University of Mindanao

CERTIFICATES

Information Technology Specialist in Cybersecurity
The University of Mindanao — Issued October 2025 (Valid until October 2030)

IInformation Technology Specialist in Network Security
The University of Mindanao — Issued July 2025 (Valid until July 2030)

Information Technology Specialist in HTML and CSS
The University of Mindanao — Issued May 2024

Information Technology Specialist in Database
The University of Mindanao — Issued May 2024

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, PHP, C#, Python
Frameworks & Libraries: Laravel, React, ASP.NET MVC, Node.js, Tailwind CSS

Databases: MySQL, SQL Server
Tools & Technologies: Entity Framework Core, Git, Github
